RESPONSE TO SUPPLEMENTAL NOTICE OF ALLOWABILITY

U.S. Patent and Trademark Office
Customer Service Window, Mail Stop IssueFee
Randolph Building
401 Dulany Street
Alexandria, VA 22314

Sir:

In response to the Supplemental Notice of Allowability mailed February 16, 2010, submitted herewith is a copy of the fully executed inventors' Declaration originally submitted July 2, 2001, along with the Response to Notice to File Missing Parts of Application. It appears that the Office reviewed the unsigned Declaration submitted with the application and not the executed Declaration filed with the Response to Notice to File Missing Parts of Application. As such, applicants submit that the copy of the executed Declaration submitted herewith obviates the need for a Supplemental Declaration. The Power of Attorney filed November 23, 2009, supersedes the Power of Attorney (Customer No. 71867) in the original inventors' Declaration and should remain in effect.

If any fees are required for this submission, the Office is authorized to debit our Deposit Account No. 19-0733, accordingly.

Respectfully submitted,
BANNER & WITCOFF, LTD.
